

# Important Notice Regarding the City of San Antonio 457(b) Deferred Compensation Plan

Earlier this month, the City shared with you fund changes within the Plan that were to be effective July 28, 2023. This notice is to inform you that these changes have been temporarily postponed.

It is important to us that we provide sufficient time for you to meet with HR or your respective 457(b) representative if you have questions.

We will send out additional notice by 10/01/23 informing you of the revised effective date.
